Dear Mr. Gagne & NuVista Energy LTD.,

On behalf of all of us at Wembley Elementary School I wanted to take a moment to extend our heartfelt appreciation of the generous support you have given to our Nutrition Program.

Every morning we are able to serve a nutritious and varied breakfast to many of our students. Not only is it a great time for them to socialize and set the tone for the day, it is also a wonderful time to nourish their bodies and get ready to learn. Being able to offer this program to all of our students minimizes any stigma, so they freely participate. Because of support like yours, we are also able to offer healthy lunches to students who need them.

I believe there is a direct connection between healthy food and optimal learning.

Thank you so much for generously supporting our local children (and families)! They really are our future.

Sincerely,

Holly Gould
Acting Principal
